Make a bigger impact with a Neighborly® Home Show Package

Home shows are a great way to put your brand in front of thousands of people in your community at one time. A well-designed display can attract more visitors to your booth. At the same time, home shows can be very time-consuming. Having other Neighborly® brands together saves time and money while reaching more potential customers.

Why use a Neighborly® booth?

Split the costs of booths and giveaways with other Neighborly® owners

Leverage the availability of more people to ensure your booth is fully staffed for the entire show

Get to know your fellow Neighborly® owners and gain new customers.

"Working with the other brands has enabled us to provide a full-service offering to our customers by building trust between owners and improving working relationships."

Bill Crane, Mr. Appliance® of Huntsville, AL

"The benefits of cost sharing are huge. When you start splitting eight ways, it opens doors for franchise owners to do things they may not have been able to do."

Michael McCalley, Mr. Handyman® of Jacksonville, FL
